

Request For Return for Credit

In order to be eligible for consideration for the Return for Credit (RFC), Injectidry will only issue an RFC to the party in which Injectidry invoiced for the original order. If you purchased the product from a distributor, contact their return department for assistance. They will in turn complete this form and issue you instructions per their and our guidelines.

Please read through the guidelines section below to see if you are eligible for return. We will issue an RFC # along with shipping instructions and send them to you once we approve the request. If you have a repair issue, please visit our website for the Repair Request form.

Company Name (which placed original order)		Requestor's Name			
Office Number		Requestor's Email Address			
Billing Address	Suite #	City	State	Zip Code	

GUIDELINES: To be considered for RFC process, the product must meet all of these conditions stated below:

The materials requested to return are unused, in original packaging and were purchased 30 days or less from today's date

The materials are not special order or a discontinued part

NOT ELIGIBLE FOR RETURN: GFCI modules.

There is a 20% restocking fee and we may assess additional charges if packaging needs to be changed or fixed. Customer will be responsible for all shipping charges and must place the RFC number on the outside of all packaging. RFC's are valid for 15 days from date of issue. Refunds will be in the form of store credit.
